Report

TO: Mr Smith
Subject: The school's canteen

Introduction

Our new canteen has been recently opened and has begun to offer different kinds of dishes to shedents and school staff. You have asked to inform you about our feelings and thoughts of the new place so there are some opinions of different aspects of the cafeteria.

Atmosphere

Such place as a canteen should be quiete because children and teachers want to relax and discuss something with their friends and co-workers. Our cafeteria provides it but sometimes it is impossible because of many hungry shedents so some people advise to change time of visiting the canteen for some classes.

Size.

It has the same problem. When there are too many children and teachers it is difficult to find a place to eat and to talk to your class mates without any danger to be hitted or hurted in a crowd.

Food

At the canteen shedents and workers can choose everything they want and some of the dishes are very delicious. However, there can be the tasty dishes from the menu of the old canteen like smashed potato with special gravy or chicken soup. They are the most beloved by all shedents and teachers.

Prices

The canteen provides dishes of different cost wich are affordable by the most of visitors but some menu points are too expensive. Some people think that prices should be limited on them because only so many can take these dishes.

Conclusion.

Most of shedents like the new cafeteria and believe in it's success. Obviously, it needs some upgrade to be perfect for both shedents and teachers. I hope I (helped) have helped you to improve such important place.
